# Our Story

Fabuwood believes kitchens should be both beautiful and affordable.

With this in mind, we've transformed stock cabinetry. By providing high-quality painted and stained finishes, up-to-date door styles, numerous modifications, and an array of hardware choices, we've upgraded to semi-custom. Additionally, we offer finishing options on any outsourced accessories to match existing décor, enabling fully customizable kitchens.

The customer experience has been revolutionized ever since.

Fabuwood provides cabinetry and accessories to dealers nationwide. What helps us succeed is our special attention to not only what's current in the cabinetry industry but staying ahead of the times. We are always seeking new ways to enhance our products and business. What's more, Fabuwood continues to add hundreds of job opportunities in Jersey City, boosting the economy.

Fabuwood brings fine cabinetry at affordable prices to kitchens nationwide.

This is Fabuwood.
